NEW BOOK IN THE COUNTY LIBRARY

The New England Story by Henry Beetle Hough.
The New England Story, by Henry Beetle Hough is a full - bodied novel about three generations of vigorous and vital people. There had been some speculation that Sidwell's Locker did not tell the whole story of Enoch Adams. And when the long-lost letters from Adam's daughter came to light, one man was sure of it. It was young Ebenezer Hartwell, pouring over old manuscripts in a second - hand book store in Manhattan who found these letters. They started him on a quest for the truth about the legendary captain that led him to the New England seaport town of Dixton Port, home of three generations.

Vepco To Construct

The Board of Directors of Virginia Electric and Power Company has approved a $70,000,000 construction budget for 1958, and declared a 25c quarterly dividend on the common stock.
Erwin H. Will, President of Vepco, said that this was the second year in which the construction budget was that high. In 1957, the company spent -59,432,000 of a $70-000,000 budget in construction of new facilities.
Included in the 1958 budget is approximately $1,000,000 for a mine-mouth generation station at an underdetermined western location. This plant, which will have a nameplate rating of 200,000 kilowatts, is planned for completion in 1961.

TROOPERS ASSIST CUB SCOUTS

Tuesday night at the American Legion Hall, State Troopers R. L. Baumgardner and E. L. Trech helped Cub Scouts and parents of Pack 41 to launch the 1958 Goodturn on Public Safety. The spring campaign will be Traffic Safety and the two Troopers showed films on that subject. Pack 41 has adopted as this year's slogan, "Help us to help you to help the nation to save lives."
At this Pack meeting, attended by Cubs, parents, Pack Committeemen and guests, seventy-seven in all enjoyed a festive covered dish dinner sponsored by the ladies of the Pack, under the leadership of Den Mothers. After the film, some twenty-two Cub Scouts received advancement awards and service stars. The meeting was then concluded, after a few games and songs.
In summary, the Pack is becoming more active as each month passes. The Pack is understaffed to the point that it cannot adequately satisfy the needs of the boys in the Pack. An urgent appeal is being made for women who can act as Den Mothers for these boys, to give them the best that can be given in this Scouting program.

SOUGHT HOLIDAY

Senator Chas. T. Moses made an attempt during the current session of the General Assembly to have the birthday of Jefferson Davis once again memorialized as a state holiday. McCue, of Charlottesville, to have April 13, birthday of Thomas Jefferson, made a holiday, was defeated.
